# Best kitchen appliance

'Fire' extinguisher, by Giulio Gianturco, for Boffi

Winner of our Best Kitchen award last year, Boffi is an old favourite of ours. And our passion for the Italian stalwart was rekindled by this ingenious design by Giulio Gianturco. Faced with the dilemma of how to make sure your new designer kitchen is protected without destroying the aesthetic of the room, Gianturco has created a domestic fire extinguisher so sleek you'll want to have it on display. The piece falls well within security standards yet, when placed inside its stainless steel cylinder, blends seamlessly into any contemporary kitchen. 'Fire' domestic extinguisher, £558, by Giulio Gianturco, for Boffi, from *Alternative Plans*, 4 Hester Road, London SW11, tel: 44.20 7228 6460, [www.boffi.com](http://www.boffi.com)
